

Important information about the 2011 Holiday Payment Policy

The cancellation deadline / final payment date is **14 days prior to the first holiday/special event date**; not the check-in date.

If you do not cancel your reservation by the cancellation deadline, the credit/debit card used for the deposit will be charged automatically for the final payment. Please be sure that you provide a credit/debit card that you want used for your final payment. Reservations not paid in full by the final payment deadline are subject to cancellation without further notice.

For **reservations made after March 9, 2011**, the final payment will be charged automatically on the date indicated below. Guests who made their **reservations prior to March 9** will need to call 1-800-339-6981 before the final payment deadline to provide new credit card information. Guests who paid the deposit with cash/check/voucher are responsible for assuring that payment is received by the deadline below.

There are no refunds/credits for cancellation after the cancellation deadline or for early departures.
